

The Troup Community Development Corporation has begun a fund drive to create a splash park behind the Police station. The community goal for this fundraising effort is \$40,000. A very generous donor has already contributed \$100,000 for this project!

Now you have a chance to make this vision a reality.

A display featuring donors' names of \$120 or more will be placed near the splash pad. Please remember, no donation is too large or too small.
